Grade 3 Reading Worksheet

Read the fiction paragraph.

Mikey was drinking a big glass of orange juice while watching his favorite cartoon. He was sitting on his family's new couch. Suddenly, his dog, Buddy, jumped up and bumped into him. The glass slipped from Mikey's hand, and juice spilled all over the couch! Mikey's heart sank. He quickly tried to wipe up the mess with a towel, but the orange stain wouldn't go away. Just then, his mom walked into the room. She saw the mess and sighed.

"It's okay, Mikey," she said. "Accidents happen. Let's clean it up together." Mikey felt a little better knowing his mom wasn't too mad.
